In the event that any payment of a bill is not made when due, I (we) agree and promise to pay all costs of collection and reasonable attorney's fees. If payment is returned for setup and deposit services will be disconnected immediately.

I understand and acknowledge that it is my responsibility to insure that the property to which the service is being provided can receive water at the time service begins. I further understand and acknowledge that the City Of Oxford is not responsible for any damages which may be caused by open faucets or plumbing failures which result in leaks and I agree to hold the City of Oxford harmless for any such damages

Signature _____ Date _____

Note: It is not mandatory that an applicant submit his/her social security number as part of the application for services. The social security number is used in debt collection efforts in the event of non-payment. If the applicant chooses to not furnish the social security number, NC state statutes allow the City of Oxford to set a deposit. The deposit in this situation is \$200 and is not refundable until the account is closed - as passed by Oxford City Council October 15, 2008.
